This is an excellent opportunity for Scouts to earn Merit Badges that are seldom offered elsewhere. Registration must be completed as a Troop using our new online registration system; Blackpug. *Individual registrations will not be accepted.* Classes will be filled on a first-come, first-served basis and Troops must be paid in full online prior to selecting specific class choices. Fees cover materials for classes, lunch, the facility, and a Merit Badge College patch.

**Lunch is included in the registration fee this year** and will be a brown bag lunch consisting of hot dogs, chips, drink and a cookie. (The college dining facility will not be serving food.) **Leaders may purchase a meal voucher for \$5.**

Troops need to follow all Scouting guidelines and **2 leaders are required to be present on campus at all times.** *Please note the skill level of certain Merit Badges and the maturity and comprehension level of your Scouts.* Also note that disruptive and/or disrespectful Scouts may be dismissed from a class at the instructor’s discretion. In the event that a class should dismiss early, Scouts are to report immediately to their Troop leadership on site and remain under Troop supervision.

Leaders can volunteer to teach a course or assist with a course, **or assist with monitoring hallways, restricted areas, and policing the surrounding campus grounds. Any youth caught entering a restricted area, attempting to vandalize or deface property, or wandering the campus grounds unsupervised will be expelled from campus and will not receive credit for any classes.**

*\* Online payment and registration link will go live on or before March 29<sup>th</sup> and will be sent Council-wide via Constant Contact email blast to everyone on our contact distribution list.*
